I/we agree that my/our contribution is made available publicly under the aforementioned license on the servers of CEUR Workshop Proceedings (CEUR-WS). I/we grant the editors, GI e.V., CEUR-WS, and its archiving partners the non-exclusive and irrevocable right to archive my/our contribution and to make it accessible (online and free of charge) for public distribution. This granted right extends to any associated metadata of my/our contribution. Specifically, I/we license the associated metadata under a Creative Commons CC0 1.0 Universal license (public domain). I/we agree that our author names and affiliations is part of the associated metadata and may be stored on the servers of CEUR-WS and made available under the CC0 license. I/we acknowledge that the editors hold the copyright for the proceedings volume of the aforementioned event as the official collection of contributions to the event.

I/we have not included any copyrighted third-party material such as figures, code, data sets and others in the contribution to be published. I/we have included a declaration on the use of Generative AI (if any) in the paper text.

I/we warrant that my/our contribution (including any accompanying material such as data sets) does not infringe any rights of third parties, for example trademark rights, privacy rights, and intellectual property rights. I/we understand that I/we retain the copyright to my/our contribution. I/we understand that the dedication of my/our contribution under the CC BY 4.0 license is irrevocable. I/we understand and agree that the full responsibility/liability for the content of the contribution rests upon me/us as the authors of the contribution. I/we release and relieve the aforementioned editors, GI e.V., individuals providing the CEUR-WS service, and the archiving partners of CEUR-WS of liability caused by ordinary/simple negligence in the publication or archiving of my/our aforementioned contribution via the servers used by CEUR-WS. I/we have read the conditions of the Creative Commons License Attribution 4.0 International (CC BY 4.0), and agree to apply this license to my/our contribution.
